

Why be bald headed and old looking before your time? Neglect of the hair causes dandruff, and dandruff is the forerunner of falling hair and baldness. The remedy is

Ayer's Hair Vigor

A gentleman residing at Dunedin, N.Z., writes under date Jan. 7, 1907:

"It is with gratitude I write you that I have now a splendid head of hair, both thick and very soft, all owing to my having used your wonderful Hair Vigor. I was almost bald headed before I used the Hair Vigor. I still use it once a day, rubbing it well into the roots of the hair. I used to wear a skull-cap, and I am very grateful to Ayer's Hair Vigor for the improvement it has made in my looks."

Be warned in time. Use Ayer's Hair Vigor and preserve your youth.

SCHARSCH NEW FILLS PLACE BEHIND LEADER

Fine Marathon weather. There is talk of postponing the great race on account of the bad state of the roads but nothing has been definitely decided so far.

If the race is run as per schedule the Star's guessing competition will close at noon tomorrow. If, however, the race is postponed, the contest will remain open till further notice.

Cheatham, Scharsch and Nelson registered the most votes yesterday. Scharsch has ousted Sam Hop from second place and Nelson is close on the heels of the leader.

L. Rosa made a big gain, it doubtless being figured that his light weight will help him in the probable heavy going.

Both the Mahukonas received good support while others who claimed the voters' attention were Lebreseu, Wann, Kapa, Downey, Rickard, Gus, Bechert, Kapa, Kuhns and Cockburn.

Of the 14-enders Graves made the best gain.

Four new names are introduced into the list today. They are: Schmidt, Evenson, Pickard and Cabral.

Ayres received hardly any votes yesterday, probably due to the announcement that he intends to walk all or most of the way. It is figured, and rightly, that the runners should beat the walkers wherever they finish.

There is no limit to the guesses allowed but a fresh coupon must be filed out in every case. In case of a tie the coupon bearing the prior date will win.

The contest closes on Saturday March 13 at noon.

The distance of the course from Honolulu to Haleiwa is about 28 miles. The official list of entries is as follows:

Chas. M. Albrecht, Geo. H. Nelson, John S. Nascimento, Maurice Lebreseu, Harry Gorman, John Kapa, Fred W. Graves, Herbert Cordelero (Ewa), E. M. Cheatham, Antonio Kapa, Sam Hop (for Mu Hook Society), William Schumann, T. Downey, Wilson Feagler, A. K. Broderick, C. A. Rickard, Joseph Honan, A. Hussey, Manuel Freitas, P. A. Moore, E. N. G. Jackson, E. M. Davis, L. Rosa, A. Timas, C. Hayes, J. B. Enos, F. Scharsch, J. Doss, Frank B. Bechert, John E. Schmidt, P. J. Waisu, Edward Hunt, Jas. Crane, D. T. M. Houghtaling, T. L. K. Pickard, J. M. Kuhns, J. D. Cockburn, Frank Freitas, Jack Frost, Lukela Kaupiko, K. Mahu-Lupes, Theo. Cabral, John Pulua, D. W. Schuman, Mani. Lupes, M. Smith, A. Timas, Hottendorf, George E. Jurgenson, J. P. Kapa, Paleholani, Chas. C. Melvin, Dai L. Freitas, H. M. Ayres, L. Freitas, F. A. J. S. Nascimento, Tom Honan.

MONEY TALK AND THEATRICALS

EDITOR STAR:—There are three kinds of money: real money, stage money and conversation money and the last is the cheapest of all. Since I have been in Honolulu I have seen much talk in the papers about the different new theaters that were to be started. Yesterday The Star had an account of a new theater to hold fifteen hundred people, that was to be built back of the Aht Theater. It stated that the ground had already been broken, I have been over the lot spoken of and have seen no broken ground save where an empty bottle has made an abrasure.

This press talk about new theaters is doing little good to the business, and, as a pioneer in the moving-picture business in Honolulu, and a present partner in the management of the Park open-air theater, I wish to protest against it.

I notice that Mr. Overend said nothing in the papers about what he

was going to do until work was actually started on his new place. If all other show promoters would follow his example, it would be better for the public for business generally.

MARATHON FORM ALL TO THE?

If the weather mends before tomorrow the Marathon will be run as per schedule, otherwise a postponement may be necessitated.

Theo. H. Davies & Co. have donated two belts of ribbon for the official badges and Yeen Chan & Co. will furnish gift safety pins for the same. Wall, Nichols Co. are printing the badges free.

Free programs will be distributed among the crowd at the start, giving the names of the starters in the bicycle and foot races and their numbers.

Gus Schuman, Von Hamm-Young Co. and the Associated Garage have

offered to help out the officials, press and ambulance corps with cars.

Latest reports are that the rain is general and that the going between here and Haleiwa is about as heavy as it can be.

The wet weather has interfered with training somewhat although a few enthusiasts were out on the road in the damp last night.

Wonderful reports are coming to hand of what various runners are doing. If these individuals run up to their reputed form the world's record for the distance will be shattered.

In the heavy going the mudders will have an innings, and some hitherto overlooked lightweight is likely to lope off with the premier trophy.

It is generally estimated that the runners will take the distance in about four hours and forty-five minutes and that the walkers will get in about an hour later, that is some of them.

A number of freak wagers have been made on the race such as betting a hat that a man finishes inside of the required time limit, seven hours; that he beats another man wherever the two may finish; or that a contestant will beat more than beat him.

As far as the form of the race is concerned the public seem to be absolutely in the dark, the nominal favorites being: Cheatham, Scharsch, Sam Hop and Soldier Nelson.

BRITISHER TO TACKLE NELSON

An additional attraction has been provided for the slugfest at the Orpheum tomorrow night in the shape of a four-round go between Soldier Nelson and Peter Quierstreet of H. M. S. Cambrian, rather an ominous name for a boxer, by the bye. The Britisher is said to be a handy man with the mitts and if he is he should make the cousin of the only and original Battling Nelson hustle considerably in order to get the decision.

Diek Sullivan and George Peterson are as fit as hands can make them and it is to be hoped that the bout will be a clean-cut affair and the principals will vent any ill-feeling they may cherish one toward the others by methods strictly according to the rules and dictates of the lamented marquis.

Honolulu sports want to see a gentlemanly contest with the verdict going to the best man. They don't want any dirty work and what is more they won't stand for it. If there is anything rotten about tomorrow night's bout, and there is no reason to suspect that there will be, the offender's name will be Dennis as far as further earning his living with the gloves in this neck of the woods is concerned.

The betting, what little has been done, has been on even terms, or practically so. If anything Peterson is a shade the better fancied but Sullivan money is likely to be more in evidence from now on.

The preliminaries look good. Kid Terry and Corporal Bird will assuredly do some fierce mixing for four rounds, and "Smiling" McCullough will try his darndest to get the decision over Young Sharkey in their eight-round argument.

Reports from the advance sale stand this morning were to the effect that most of the good seats in the house have been disposed, though there are a few choice locations still left.

Bill Hellbron will in all probability referee the main event.
